# Honoring the memory. Serving the families.

The Border Patrol Foundation is a national non-profit organization providing immediate financial assistance to the families of the fallen U.S. Border Patrol Agents killed in the line of duty. The mission and objectives also support emergency services for active duty USBP personnel for on and off duty deaths, injuries, illnesses, family medical emergencies and children's scholarships.

Agent Alvarez was killed in a motorcycle accident on August 11, 2016, while performing his duties on the Tohono O'odham Indian Reservation. He and another agent were conducting dirt bike patrol of the rugged land when their motorcycles collided, causing Agent Alvarez to suffer fatal injuries.

Agent Alvarez had served with the United States Border Patrol for 13 years and is survived by his wife, four children, his parents, and his two sisters.

Please join us in honoring Manny and all others that have paid the ultimate sacrifice protecting our nations borders. Funds raised during this event will benefit BPF Family Services Programs.
